Information Brochure

Student Startup & Innovation Policy (SSIP)
(A Government of Gujarat Initiative)

Key Goals of SSIP

- Developing students centric Innovations and Pre-incubation Ecosystems.
- Support to flourish creativity & innovation.
- Creating and facilitating sectoral and regional inclusive innovation efforts.

Students will be given chance to represent their ideas and potential ideas will get initial funding upto Rs 50,000/- for development of Proof of Concept (POC). It can be extended upto Rs 2,00,000/- for promising ideas.

- The proposal for POC can be submitted throughout the year at any time.
- Date of POC proposal Evaluation: – (Tentatively Every third Saturday of the month)
