INVITATION

It is with immense pleasure that we announce the Annual Technical Festival and Annual Cultural Festival of Government Engineering College Dahod on 11th, 12th and 13th April 2022.

The last Annual festival was celebrated in 2019. It was unfortunate that the final and pre-final year students who graduated in 2020 and 2021 were not able to celebrate the joyous moments of our annual festivals for two years.

I heartily invite all the students; the ones busy with their internships, the parents, members of our alumni association and all those students who graduated in past few years to attend this festival and light it up with your sparkling presence.

Dr. P K Brahmbhatt

Principal

Government Engineering College Dahod
