

# GOVERNMENT ENGINEERING COLLEGE, DAHOD

**Date: 15.12.2018**

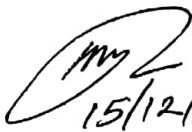

## Notice

All the students of semester IV, VI & VIII of Mechanical Engineering are hereby informed that an academic term of odd semester 2018-2019 is going to start from 17.12.2018. You are informed to attend the lectures and laboratories regularly.

The students who will have less attendance as per norms of GTU, appropriate action will be taken against such students.

The students of Sem VIII are hereby specifically informed that department will not entertain the students who will not attend the classes in the name of GATE examination. You have only three days' time table, during which you must attend the classes and laboratories. In our institute, there is conducive environment for studies, not only that while preparing for GATE in institute premises, you will get solution from the faculties available in the campus.

All the class time tables are available on institute website.
