Organ Donation Awareness Program

NSS unit of Government Engineering College, Dahod organizes an awareness programme on “Organ donation” National Service Scheme (NSS) Volunteers participated in this Organ Donation Awareness Program on 16-09-2020 from 01:15PM to 03:15 PM. After death we burn or buried of human body. Even some organs of the body can be preserved and stored after death. If these organs are donated, it might save somebody else’s life. The rate of organ donation has significantly increased due to the number of successful cases. Organ Donation is defined as the removal of organs from a body and transplanting it to a new body by surgical operations. The requirement for new organs usually arises when a person loses an organ to some accident or stops functioning. Mr. Dharmendra Pachal of Angg Dan Charitable Trust is Delivered a Lecture to aware about ‘Ang DAN Maha Dan’. No. of Participants: Students- 85 , Faculty- 15
