Environment Enrichment and Conservation

10 to 14-08-2023

In order to sensitize students towards the need to preserve our environment and ecology, Tree plantation drive was organized by the NSS unit. This was the second drive by National Service Scheme volunteers in this session, the main purpose of this event was to teach students, how we can enhance environment, enriched and Conserve our climate from pollution. This drive is organize under meri matti mera desh event of Azadi ka amrit Mahotsva. In this Drive 125 plants of different kinds are planted in campus by NSS volunteers and faculty members of GEC Dahod At GEC Dahod Campus, Dahod. Dr. Manoj K. Singh is the programme coordinator, Prof. Papil Kr. Gautam is co-coordinator in this event. NSS volunteers are successfully organized this event.

Major Outcome:

Students are aware with the importance of environment enrichment and conservation.
